

# Wanted:

## A Playground by the Sound

Seeking 12-24 **enthusiastic**, dependable individuals willing to share responsibilities in **coordinating**, fundraising, designing and constructing of a **community built** "Playground by the Sound" using the **imagination**s of our children, as well as hundreds of **volunteers** from throughout the community.

In the space of a few days, you and a small army of untrained but enthusiastic volunteers can transform an empty patch of ground into a **one of a kind**, uniquely designed regional playground at the **Chambers Creek Properties on Puget Sound**. It will belong to every member of the community in a way that nothing else does!

**Come and learn more about our project!**

Steering Committee Meetings are held on the first Friday of each month at 9:30 a.m. at University Place City Hall.
