APPLICATION GUIDELINES:

1. Submit two (2) sets of shop drawings - hydraulic calculations and cut sheets to be included with each set.
2. All fire protection systems require tests. The test requirements will be attached to the approved plans. These tests must be conducted in the presence of the Fire Marshal. Fire inspections are performed on Tuesdays and Wednesdays, or by prearranged appointment with Fire Marshal. Call 253-460-2540 by 3:00 p.m. on the business day prior to the requested inspection date.
3. Provide a current copy of your contractor's license and fire sprinkler level (2/3) competency certificate. NICET level I for residential, level III for commercial.

I hereby certify that the information provided is correct and that the construction on the above-described property, the occupancy, and use will be in accordance with the laws, rules, and regulations of the State of Washington and the University Place Municipal Code.
