## How Will Applications Be Evaluated?

- Applications will be reviewed for eligibility in the grant program. (See *Business Eligibility Guidelines* as linked in the Business Relief Funds Round Two webpage.)
- Priority will be given to qualified applicants who did not receive funding in the first round of Business Relief Grants from the City of University Place in July 2020.
- In the event that the total number of grant funds requested by qualified applicants after awards have been made to first-time qualified applicants exceeds available funds, funds will then be distributed on a pro rata basis.
