

ORDINANCE NO. 578

**AN ORDINANCE OF THE CITY OF UNIVERSITY PLACE, WASHINGTON, AMENDING
ORDINANCE 533 TO PROVIDE AN EXTENSION OF AN OFFICIAL CONTROL
REGARDING PERMIT AND PERMIT APPLICATION EXTENSIONS**

WHEREAS, titles 13, 14, 17, 18, 19, 21, 22, and 23 of the University Place Municipal Code include provisions for the processing, issuance and expiration of permits and permit applications; and

WHEREAS, some but not all of the above referenced titles provide various provisions to extend permit applications and issued permits for cause; and

WHEREAS, following a peak in housing prices in 2005, housing prices have and continue to decline resulting in high default rates of sub-prime and adjustable rate mortgages; and

WHEREAS, the high mortgage default rate together with a stagnant credit market led to the failure and merger of several large U.S. based financial institutions and a significant slowing of the national economy; and

WHEREAS, the slowing of the economy and downturn in new homes sales has limited the ability of developers and new home builders to obtain credit to build and/or sell their products; and

WHEREAS, the Master Builders Association of Pierce County on behalf of their members continue to request regulatory relief in the form of the extension of land use and building permit applications and issued permits beyond those which are typically allowed while economic circumstances beyond their control remain; and

WHEREAS, the City Council of the City of University Place recognizes the need for permit and permit application extension in light of the current economic slow down; and

WHEREAS, in accordance with SEPA Rules WAC197-11-800(20) Procedural Actions, ordinances relating solely to procedure and containing no substantive standards respecting use or modification of the environment shall be exempt; and

WHEREAS, the City Council has determined that time extensions for cause are consistent with the goals, objectives and policies of the comprehensive plan; and

WHEREAS, on November 3, 2008 the City Council adopted Ordinance 533 providing time extensions for permits and permit applications with an expiration date of December 31, 2010 unless revoked or extended by amendment; and

WHEREAS, as of November 2010 the economic slowdown has not abated; and

WHEREAS, the City Council has determined that extending Ordinance 533 for an additional two years is in the best interest of the citizens and property owners of the City;

**NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF UNIVERSITY PLACE,
WASHINGTON, DOES ORDAIN AS FOLLOWS:**
