**INTERLOCAL AGREEMENT FOR COOPERATIVE PLANNING,
DESIGN, CONSTRUCTION AND MAINTENANCE OF
THE CHAMBERS CREEK CANYON TRAIL**

THIS INTERLOCAL AGREEMENT (hereinafter referred to as this "AGREEMENT") is made and entered into this 1st day of August, 2019, by and between the City of University Place, (hereinafter also referred to as "UP"), City of Lakewood (hereinafter also referred to as "LAKEWOOD"), and Pierce County Parks and Recreation (hereinafter also referred to as "PARKS"); collectively referred to in this AGREEMENT as the "PARTIES" and singularly referred to as a "PARTY."

RECITALS

- I. The Chambers Creek Canyon Trail (hereinafter referred to as "TRAIL") project will be constructed on certain real property owned by the County and the cities of Lakewood and UP. The north side of the canyon lies in UP and the south side of the canyon lies in Lakewood. The dividing line between the two cities is the center line of Chambers Creek. See Appendix A for tax parcel ownership, county and city right of ways and proposed trailhead locations.
- II. In 1997, following an extensive public process, Pierce County adopted the Chambers Creek Properties Master Site Plan which included a proposed trail extending from an existing trailhead on Chambers Creek Road at the west end of the trail up the canyon on both the north and south sides.
- III. In June of 1997 UP adopted its first Parks, Recreation and Open Space Plan (UP PROS Plan) citing the Chambers Creek Properties Master Site Plan and describing the TRAIL in detail. The TRAIL is identified in the 2007 and 2014 UP PROS Plan updates.
- IV. On June 19, 2000, the PARKS, UP and LAKEWOOD entered into a Joint Procedural Agreement (JPA) to facilitate and develop the Chambers Creek Properties, including the TRAIL.
- V. In 2004, with the help of the Washington State Recreation and Conservation Office (RCO) and Pierce County Conservation Futures Program, UP purchased the Kobayashi property, which is the location of the eastern end of the TRAIL.
- VI. On August 6, 2012 the UP City Council adopted Resolution 696, Council Goals for 2013 – 2014 identifying the development of an implementation plan for the development of the Leach Creek/Chambers Creek Trail and commence construction of the Phase 1 Leach Creek/Chambers Creek Trail as funding allows.
- VII. On January 29, 2013, PARKS, UP and LAKEWOOD jointly held a TRAIL open house attended by 80 people from surrounding communities where there was broad support for development of the TRAIL.

- VIII. On November 26, 2013, the PARTIES completed the Draft Chambers Creek Canyon Trail Plan and agreed to enter into an interlocal agreement for the planning and design of the TRAIL.
- IX. In February 2014, PARKS adopted the Pierce County 2014 Parks, Recreation, and Open Space Plan (County PROS Plan) in which the lower portion of the TRAIL is identified as a Sub-Regional Trail and the upper portion as a Connector Trail. The County PROS Plan indicates trail development is a high priority and includes capital improvements for the TRAIL.
- X. On March 3, 2014, LAKEWOOD adopted the LAKEWOOD Legacy Plan which identified the TRAIL as an important regional asset, which if completed, contributed to LAKEWOODS plan mission and level of service standards. Trail expansion and trailhead improvements were proposed in the plan and included in capital improvement plans.
- XI. In February 2015, the PARTIES entered an Interlocal Agreement for Cooperative Planning, Design, and Construction of the TRAIL.
- XII. In January 2017, the PARTIES submitted a joint grant application to the RCO Recreational Trails Program (RTP) to fund construction of a pedestrian bridge over Chambers Creek west of Kobayashi Park.
- XIII. In February 2017, the PARTIES jointly funded a Preliminary Design Report for the TRAIL that determined a final trail alignment and provided cost estimates for the TRAIL.
- XIV. The original joint use agreement expired in 2017. It is in the public interest that the PARTIES continue to work collaboratively on the TRAIL between the Chambers Creek Road Trailhead and the Chambers Creek Road West Trailhead, including trail connections to street ends on both sides of the canyon, boardwalks crossing sensitive areas in the canyon, and two pedestrian bridge crossings between the north and south sides of the canyon.
- XV. This AGREEMENT is entered into pursuant to RCW 39.34 (Interlocal Cooperation Act). The PARTIES represent that under state law, including but not limited to RCW 35.75, RCW 36.34.340, RCW 36.89.030, and RCW 67.20.010, they each have authority to perform the services, activities, and undertakings contemplated herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the PARTIES agree as follows:

Each PARTY (the Indemnitor) agrees to defend, indemnify and save harmless each other (the Indemnitees), their board or council members, officers, agents and employees, from and against all loss or expense including, but not limited to, judgments, settlements, attorney's fees and costs by reason of any and all claims for damages, penalties or other relief based upon the Indemnitor's alleged negligence, or

wrongful conduct, except for the injuries, penalties and damages caused by the sole negligence or wrongful conduct of the Indemnitor. Such claims for damages or other relief include, but are not limited to, those for personal or bodily injury including death from such injury, property damage, torts, defamation, penalties imposed by any agency of the state or federal government for failure to comply with applicable law in the performance of this AGREEMENT. If the claim, suit or action involves concurrent negligence of the Parties, the indemnity provisions provided herein shall be applicable only to the extent of the percentage of each PARTY's negligence. It is further and expressly understood that the indemnification provided herein constitutes each PARTY's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the Parties. The provisions of this section shall survive the expiration or termination of this AGREEMENT.

XIII. TERMINATION. This AGREEMENT is subject to termination based upon the following:

- A. Necessity. In the event that any of the PARTIES determines that termination of this AGREEMENT is necessary due to lack of funding or any other reason that justifies termination, one of the PARTIES shall give the other PARTIES thirty (30) days' written notice of termination of this AGREEMENT. - B. Default. By reason of a breach of this AGREEMENT by a PARTY, the other Parties may terminate this AGREEMENT; provided that written notice specifying the breach, and thirty (30) days to cure the breach is given, and thereafter, in the absence of a substantial cure, the dispute resolution procedures set forth in Section XIV below are followed. The notice and dispute resolution requirements do not apply where protection of the public's health, welfare, or safety requires immediate termination.
- C. Lack of Appropriation. Any PARTY's obligation under this AGREEMENT that may extend beyond the current appropriation year is expressly conditioned upon that PARTY's legislative appropriation of sufficient funds to support the activities described in this AGREEMENT. If the PARTY's legislative body does not appropriate sufficient funds for those purposes, then that PARTY's participation under this AGREEMENT shall terminate automatically at the end of the current appropriation year for which funds were appropriated. The PARTIES shall notify each other in writing for any such non-allocation of funds as soon as practicable under the circumstances.
- D. Public Convenience. Any PARTY may withdraw from the AGREEMENT for public convenience upon thirty (30) calendar days' written notice, provided that to the extent each PARTY has obligated itself to provide funding for the TRAIL and maintenance fund, that funding obligation shall survive the termination of the

AGREEMENT until the end of the withdrawing PARTY's current appropriation year, after which the withdrawing PARTY shall have no further funding obligation to the TRAIL or maintenance fund.

- E. Account Close-Out If Project Abandoned. If, for any reason, the TRAIL project is abandoned or otherwise terminated before the TRAIL design, permitting, or construction is completed, then the lead agency (UP) will settle up all remaining obligations, close out the project account, liquidate or return personal property consistent with applicable surplus requirements, provide a final account summary to the other PARTIES, and return any unspent funds on a prorated basis that reflects each PARTY's relative contribution to the project.

- XIV. NO SEPARATE ENTITY CREATED. This AGREEMENT does not create any separate legal or administrative entity. This AGREEMENT shall be administered by the Public Works, Parks & Facilities Director for the City of University Place, the Parks, Recreation and Community Services Director for the City of Lakewood, and the Director of Parks and Recreation for Pierce County. The PARTIES shall not financially obligate one another by seeking joint debt financing or by attempting to acquire or hold joint assets. Unless otherwise specified, disputes regarding any matter contained herein shall be referred to the City Managers or their designees for the Cities of University Place and Lakewood and to the Pierce County Executive or designee for Pierce County for mediation and/or settlement. The cost of mediating a dispute shall be borne equally by the PARTIES.
- XVI. NOTICE. Any written notice, which is required or permitted regarding this AGREEMENT, shall be given by U.S. first-class mail or by personal delivery to the designated representative of the PARTY which is the intended recipient of the notice at its address as set forth in Section V – Designated Representatives.
- XVII. ENTIRE AGREEMENT. This AGREEMENT contains the PARTIES' entire understanding with respect to the subject matter hereof. There are no other agreements, oral or written, except as expressly set forth herein.
- XVIII. AMENDMENTS IN WRITING. Any amendment or modification of this AGREEMENT must be in writing and executed by the PARTIES agreeing thereto.
- XIX. NO CONTINUING WAIVER OF DEFAULT. The waiver of any default under any provision of this AGREEMENT must be in writing to be valid and shall not constitute a waiver of any other default, whether of the same or of any other provision.

- XX. **LEGISLATIVE APPROVAL.** The Interlocal Cooperation Act, RCW 39.34 requires that this AGREEMENT be approved by the PARTIES' legislative bodies prior to execution. The PARTIES hereby affirm their intent to use their best efforts to seek timely approval of the AGREEMENT by their respective legislative bodies.

- XXIII. **EXECUTION IN COUNTERPARTS.** This AGREEMENT may be executed in counterparts, each of which shall be deemed an original.
- XXIV. **ASSIGNABILITY; TERMS AND CONDITIONS BINDING ON SUCCESSORS AND ASSIGNS.** Any or all of the rights and obligations of a PARTY to this AGREEMENT may be assigned and delegated to other persons, firms, or corporations only with the express written consent of the other PARTIES. This AGREEMENT shall be binding on such approved assignees and delegates.
- XXV. **NO THIRD-PARTY BENEFICIARIES.** Nothing in this AGREEMENT shall create or be construed to create any rights, duties, obligations, or cause of action in any person not a party to it.

- XXVII. **SEVERABILITY.** If any provision of this AGREEMENT is deemed unlawful or unenforceable, such provision shall be fully severable, and the remainder of this AGREEMENT shall be in full force and effect with the automatic addition of a provision as similar in its terms to such illegal or unenforceable provision as may be possible to make such provision legal and enforceable.

- III. In June of 1997 UP adopted its first Parks, Recreation and Open Space Plan (UP PROS Plan) citing the Chambers Creek Properties Master Site Plan and describing the TRAIL in detail. The TRAIL is identified in the 2007 and 2014 UP PROS Plan updates.
- IV. On June 19, 2000, the PARKS, UP and LAKEWOOD entered into a Joint Procedural Agreement (JPA) to facilitate and develop the Chambers Creek Properties, including the TRAIL.
- V. In 2004, with the help of the Washington State Recreation and Conservation Office (RCO) and Pierce County Conservation Futures Program, UP purchased the Kobayashi property, which is the location of the eastern end of the TRAIL.
- VI. On August 6, 2012 the UP City Council adopted Resolution 696, Council Goals for 2013 – 2014 identifying the development of an implementation plan for the development of the Leach Creek/Chambers Creek Trail and commence construction of the Phase 1 Leach Creek/Chambers Creek Trail as funding allows.
- VII. On January 29, 2013, PARKS, UP and LAKEWOOD jointly held a TRAIL open house attended by 80 people from surrounding communities where there was broad support for development of the TRAIL.

- 1 VIII. On November 26, 2013, the PARTIES completed the Draft Chambers Creek Canyon Trail
2 Plan and agreed to enter into an interlocal agreement for the planning and design of the
3 TRAIL.
4
- 5 IX. In February 2014, PARKS adopted the Pierce County 2014 Parks, Recreation, and Open
6 Space Plan (County PROS Plan) in which the lower portion of the TRAIL is identified as
7 a Sub-Regional Trail and the upper portion as a Connector Trail. The County PROS Plan
8 indicates trail development is a high priority and includes capital improvements for the
9 TRAIL.
10
- 11 X. On March 3, 2014, LAKEWOOD adopted the LAKEWOOD Legacy Plan which identified
12 the TRAIL as an important regional asset, which if completed, contributed to
13 LAKEWOODS plan mission and level of service standards. Trail expansion and trailhead
14 improvements were proposed in the plan and included in capital improvement plans.

24 that determined a final trail alignment and provided cost estimates for the TRAIL.
25
- 26 XIV. The original joint use agreement expired in 2017. It is in the public interest that the
27 PARTIES continue to work collaboratively on the TRAIL between the Chambers Creek
28 Road Trailhead and the Chambers Creek Road West Trailhead, including trail connections
29 to street ends on both sides of the canyon, boardwalks crossing sensitive areas in the
30 canyon, and two pedestrian bridge crossings between the north and south sides of the

10 terminated or extended by the PARTIES. Prior to its expiration, all PARTIES will
11 return the properties to a condition reasonably comparable to the condition of the
12 properties prior to the effective date of this AGREEMENT, except for trail
13 improvements made in accordance with this agreement and except to the extent that
14 changes to the condition of the properties did not occur as a result of an act of any
15 PARTY, its employees, agents, contractors, or consultants. Gates will be secured,
16 and fences, if temporarily removed, shall be replaced. All excavations shall be
17 filled and leveled. There shall be no cutting or removal of paved surfaces without

29 incorporate the Preliminary Design Report (2017) specifications as agreed upon by
30 the PARTIES. Significant modifications from the Preliminary Design Report will
31 be communicated to the PARTIES.

41 necessary information with the RCO.
42

43 D. Timeliness. UP will ensure that all design deadlines are met and all permitting is
44 completed in a timely manner, with a deadline prior to the construction timeline, as
45 agreed on by the PARTIES for full design and permitting.
46
47

IX. CONSTRUCTION PHASE

A. General Obligation Regarding Construction. PARKS will complete all TRAIL construction and installation, working closely with UP and LAKEWOOD to make sure construction meets community needs as well as applicable state and local laws. PARKS, its agents, and contractors, will perform all work on the TRAIL in accordance with construction plans and specifications approved by all parties. PARKS will assume responsibility for or control over the working conditions and safety practices of employees, contractors, or subcontractors hired to perform any work on the TRAIL or its amenities.

B. Trailhead Construction. The PARTIES are responsible for designing and constructing proposed trailheads as defined in Appendix B. The PARTIES agree to use the County PROS Plan, Appendix I: Trail Design Guidelines, "Trailheads" (page I-7) as guidance for their designs to ensure continuity throughout the TRAIL system.

C. Minimum Plan Requirements. During construction planning, PARKS will address the management of construction impacts on site, including but not limited to stockpiling of materials, equipment storage, and erosion and sediment control.

D. Public Notice. PARKS will install safety barriers, signage regarding temporary detours and/or closures and any other appropriate device or infrastructure necessary to ensure public safety during construction. PARKS will leave such measures in place until after UP and LAKEWOOD have had the opportunity to inspect the TRAIL and/or TRAIL amenities upon completion and all parties determine the construction conforms to the construction plans. The PARTIES will work together to inform the public about plans to develop or open new TRAIL sections. The PARTIES will provide each other the opportunity to review and comment on all public notices regarding trail development, closures or openings.

E. Communication. PARKS will facilitate regular, factual and productive communication to ensure all PARTIES have an opportunity to participate in decision-making. PARKS will give UP and LAKEWOOD reasonable prior notice of all pre-construction and construction meetings and of the commencement of construction, so that UP and LAKEWOOD may attend these meetings and inspect the TRAIL and/or TRAIL amenities during construction.

X. POST CONSTRUCTION PHASE

A. PARKS will complete all work within the project area in a neat and efficient manner. PARKS will remove all construction-related debris and restore decommissioned or volunteer trails with native plants. PARKS agrees to provide final plans of TRAIL improvements and/or amenities to UP and LAKEWOOD as soon as possible after completion of TRAIL work.

B. Insurance:

a. During the time of construction of the improvements, the PARTIES shall require their contractors, subcontractors, and other agents to carry appropriate and customary insurance coverages and amounts. In addition, the PARTIES shall maintain reasonable and customary liability insurance

1 for bodily injury, personal injury, death, contractual liability and property
2 damage arising out of, or having to do with the PARTIES' and the general
3 public's use, occupancy, and possession of, or acts or omission on or about
4 the TRAIL, and shall provide each other with satisfactory evidence of such
5 insurance on an annual basis. Such insurance shall name the other Parties
6 as an additional insured with respect to all coverages, with the exception of
7 Worker's Compensation Insurance.

8 b. If a Party is a municipal corporation or a subdivision or an agency of the State
9 of Washington and is self-insured for any of the above insurance
10 requirements, a certification of self-insurance shall be attached hereto and
11 be incorporated by reference and shall constitute compliance with this
12 section.

13 c. PARKS will ensure that all new infrastructure on PARKS property (See
14 Attachment A) is protected by PARKS' insurance. The PARTIES agree to
15 jointly fund expenses related to infrastructure damage not covered by
16 PARKS' insurance.
17

18 XI. LONG-TERM MAINTENANCE PHASE

19 A. The PARTIES shall develop, adopt and commit to a long-term maintenance plan
20 that will ensure the trail conditions remain at or near their original construction
21 conditions or intended standards.

22 B. PARKS will act as lead agency to implement the long-term maintenance plan

23 C. The PARTIES shall jointly and equally provide funding or services to adequately
24 meet the intended standards of the adopted long-term maintenance plan based on
25 expected annual costs.

26 D. Parks shall not modify the long-term maintenance plan without communicating
27 with UP and LAKEWOOD.

28 E. The PARTIES will maintain trailheads on their properties, as identified in
29 Appendix A, to the intended standards and at their own expense.
30

31 XII. HOLD HARMLESS AND INDEMNITY AGREEMENT

32
33 Each PARTY (the Indemnitor) agrees to defend, indemnify and save harmless each
34 other (the Indemnitees), their board or council members, officers, agents and
35 employees, from and against all loss or expense including, but not limited to,
36 judgments, settlements, attorney's fees and costs by reason of any and all claims for
37 damages, penalties or other relief based upon the Indemnitor's alleged negligence, or
38 wrongful conduct, except for the injuries, penalties and damages caused by the sole
39 negligence or wrongful conduct of the Indemnitor. Such claims for damages or other
40 relief include, but are not limited to, those for personal or bodily injury including death
41 from such injury, property damage, torts, defamation, penalties imposed by any agency
42 of the state or federal government for failure to comply with applicable law in the
43 performance of this AGREEMENT. If the claim, suit or action involves concurrent
44 negligence of the Parties, the indemnity provisions provided herein shall be applicable
45 only to the extent of the percentage of each PARTY's negligence. It is further and

1 expressly understood that the indemnification provided herein constitutes each
2 PARTY's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the
3 purposes of this indemnification. This waiver has been mutually negotiated by the
4 Parties. The provisions of this section shall survive the expiration or termination of
5 this AGREEMENT.
6

7 XIII. TERMINATION. This AGREEMENT is subject to termination based upon the
8 following:
9

- 10 A. Necessity. In the event that any of the PARTIES determines that termination of
11 this AGREEMENT is necessary due to lack of funding or any other reason that
12 justifies termination, one of the PARTIES shall give the other PARTIES thirty (30)
13 days' written notice of termination of this AGREEMENT. Upon termination of the
14 AGREEMENT, all PARTIES shall be released from any future funding or other
15 obligations related to this AGREEMENT.
16
- 17 B. Default. By reason of a breach of this AGREEMENT by a PARTY, the other
18 Parties may terminate this AGREEMENT; provided that written notice specifying
19 the breach, and thirty (30) days to cure the breach is given, and thereafter, in the
20 absence of a substantial cure, the dispute resolution procedures set forth in Section
21 XIV below are followed. The notice and dispute resolution requirements do not
22 apply where protection of the public's health, welfare, or safety requires immediate
23 termination.
24
- 25 C. Lack of Appropriation. Any PARTY's obligation under this AGREEMENT that
26 may extend beyond the current appropriation year is expressly conditioned upon
27 that PARTY's legislative appropriation of sufficient funds to support the activities
28 described in this AGREEMENT. If the PARTY's legislative body does not
29 appropriate sufficient funds for those purposes, then that PARTY's participation
30 under this AGREEMENT shall terminate automatically at the end of the current
31 appropriation year for which funds were appropriated. The PARTIES shall notify
32 each other in writing for any such non-allocation of funds as soon as practicable
33 under the circumstances.
34
- 35 D. Public Convenience. Any PARTY may withdraw from the AGREEMENT for
36 public convenience upon thirty (30) calendar days' written notice, provided that to
37 the extent each PARTY has obligated itself to provide funding for the TRAIL and
38 maintenance fund, that funding obligation shall survive the termination of the
39 AGREEMENT until the end of the withdrawing PARTY's current appropriation
40 year, after which the withdrawing PARTY shall have no further funding obligation
41 to the TRAIL or maintenance fund.
42
- 43 E. Account Close-Out If Project Abandoned. If, for any reason, the TRAIL project is
44 abandoned or otherwise terminated before the TRAIL design, permitting, or
45 construction is completed, then the lead agency (UP) will settle up all remaining
46 obligations, close out the project account, liquidate or return personal property
47 consistent with applicable surplus requirements, provide a final account summary

1 to the other PARTIES, and return any unspent funds on a prorated basis that reflects
2 each PARTY's relative contribution to the project.
3

4 XIV. NO SEPARATE ENTITY CREATED. This AGREEMENT does not create any
5 separate legal or administrative entity. This AGREEMENT shall be administered by
6 the Public Works, Parks & Facilities Director for the City of University Place, the
7 Parks, Recreation and Community Services Director for the City of Lakewood, and the

9 obligate one another by seeking joint debt financing or by attempting to acquire or hold
10 joint assets. Doing so will result in termination of this AGREEMENT as described
11 herein.
12

13 XV. DISPUTE RESOLUTION. Unless otherwise specified, disputes regarding any matter
14 contained herein shall be referred to the City Managers or their designees for the Cities
15 of University Place and Lakewood and to the Pierce County Executive or designee for

17 of, or relative to this AGREEMENT or the alleged breach thereof that cannot be
18 resolved by the Lakewood and University Place City Managers and the Pierce County
19 Executive or their designees may be submitted to a mediator to resolve disputes should
20 the PARTIES agree to utilize the services of a mediator. The cost of mediating a
21 dispute shall be borne equally by the PARTIES.
22

23 XVI. NOTICE. Any written notice, which is required or permitted regarding this
24 AGREEMENT, shall be given by U.S. first-class mail or by personal delivery to the
25 designated representative of the PARTY which is the intended recipient of the notice
26 at its address as set forth in Section V – Designated Representatives.
27

29 understanding with respect to the subject matter hereof. There are no other agreements,
30 oral or written, except as expressly set forth herein.
31

32 XVIII. AMENDMENTS IN WRITING. Any amendment or modification of this
33 AGREEMENT must be in writing and executed by the PARTIES agreeing thereto.
34

35 XIX. NO CONTINUING WAIVER OF DEFAULT. The waiver of any default under any
36 provision of this AGREEMENT must be in writing to be valid and shall not constitute
37 a waiver of any other default, whether of the same or of any other provision.
38

39 XX. LEGISLATIVE APPROVAL. The Interlocal Cooperation Act, RCW 39.34 requires
40 that this AGREEMENT be approved by the PARTIES' legislative bodies prior to
41 execution. The PARTIES hereby affirm their intent to use their best efforts to seek

This AGREEMENT shall be binding on such approved assignees and delegates.

XXV. NO THIRD-PARTY BENEFICIARIES. Nothing in this AGREEMENT shall create or be construed to create any rights, duties, obligations, or cause of action in any person not a party to it.

XXVI. NO RESTRICTION ON POLICE POWERS. Nothing in this AGREEMENT shall diminish any of the PARTIES' governmental or police powers.

XXVII. SEVERABILITY. If any provision of this AGREEMENT is deemed unlawful or unenforceable, such provision shall be fully severable, and the remainder of this AGREEMENT shall be in full force and effect with the automatic addition of a provision as similar in its terms to such illegal or unenforceable provision as may be possible to make such provision legal and enforceable.
