- All parade entrants must remain in motion while on the parade route, unless stopped by law enforcement or parade officials.
- All motorized vehicles must be operated by licensed and trained drivers, regardless of the vehicle's size or use. All vehicle and float operators are required to include proof of current automobile liability insurance with the parade application.
- All entrants must clean up after their entry (animal waste, garbage in staging, horse loading areas, decorations, etc.)

A complete listing of event participation rules is in this packet. If you have any questions or concerns, please contact City of University Place at 253.566.5656.

Thank you.
