financial ability of members to pay. In the event Bellevue must take legal action to collect any amount due from a member of the Coalition, Bellevue shall be entitled to recover all costs for said action including reasonable attorney's fees.

Paragraph 4.3 is hereby amended to read as follows:

All other provisions of the Coalition Interlocal Agreement remain in full force and effect.

INTERLOCAL AGREEMENT BETWEEN THE CITIES OF ANACORTES, AUBURN, BELLEVUE, BELLINGHAM, BOTHELL, BREMERTON, BUCKLEY, BURIEN, BURLINGTON, CAMAS, DES MOINES, ELLENSBURG, EVERETT, FEDERAL WAY, FIRCREST, KENNEWICK, KENT, LONGVIEW, MARYSVILLE, MOUNT VERNON, NORMANDY PARK, ORTING, PORT ANGELES, PULLMAN, PUYALLUP, RENTON, RICHLAND, SAMMAMISH, SEATAC, SUMNER, UNIVERSITY PLACE AND VANCOUVER AND KITSAP COUNTY REGARDING LEGAL SERVICES

THIS INTERLOCAL AGREEMENT ("Agreement") is entered into between the Cities of Anacortes, Auburn, Bellevue, Bellingham, Bothell, Bremerton, Buckley, Burien, Burlington, Camas, Des Moines, Ellensburg, Everett, Federal Way, Fircrest, Kennewick, Kent, Longview, Marysville, Mount Vernon, Normandy Park, Orting, Port Angeles, Pullman, Puyallup, Renton, Richland, Sammamish, SeaTac, Sumner, University Place, Vancouver, and Kitsap County and any other Phase II Permittees that might join this Coalition of Governmental Entities (collectively, "Coalition").

# **RECITALS**

- 1. The members of the Coalition are public agencies as defined by Ch. 39.34 of the Revised Code of Washington, and may enter into interlocal agreements on the basis of mutual advantage to provide services and facilities in the manner and pursuant to forms of governmental organization that will accord best with geographic, economic, population, and other factors influencing the needs and development of local communities.
- 2. The Phase II National Pollutant Discharge Elimination System (NPDES) Permit is required under provisions of the Federal Clean Water Act and requires members of the Coalition in Washington to develop and maintain storm water programs. The Department of Ecology (DOE) has adopted standards (DOE Standards) purportedly under the NPDES Permit authority that may impose costly burdens on landowners, including members of the Coalition and may also cause costly legal challenges to members of the Coalition as a result of enforcing DOE Standards.
- 3. The potential impact of the DOE Standards on members of the Coalition and property owners is so significant and far-reaching, members of the Coalition are joining together to explore all legal and other avenues available to challenge the DOE Standards including but not limited to filing an appeal with the Pollution Control Hearings Board. The appeal deadline is February 16, 2007, the effective date of the DOE Standards. Members of the Coalition wish to retain outside counsel (Counsel)

to represent the Coalition in said legal challenge(s) and wish to collectively pay Counsel as further set forth below.

4. NOW THEREFORE, in consideration of the terms and provisions contained herein, Coalition agrees as follows:

#### **AGREEMENT**

- 1. <u>Purpose:</u> It is the purpose of this Agreement to have the Coalition collectively pay for the legal services of Foster Pepper PLLC (Legal Services) to represent the Coalition's interests in any legal challenges to the NPDES Phase II permits (Litigation).
- 2. <u>Duration</u>: This Agreement shall be effective January 25, 2007, irrespective of the date members of the Coalition execute this Agreement. Unless terminated by any party in accordance with Paragraph 5, Termination, the Agreement shall remain in full force and effect through conclusion of the Legal Services either through settlement of the dispute with the State of Washington, Pollution Control Hearings Board order, court order or other court disposition by the highest court authorized to hear an appeal of this matter, and/or other mutual resolution of the legal challenge or Legal Services as agreed to among members of the Coalition as provided in Paragraph 5.2 of this Agreement.
- 3. Administration: Coalition shall enter into a Joint Prosecution Agreement for the administration of the Legal Services and Litigation. Said Joint Prosecution Agreement shall include, but need not be limited to, a confidentiality agreement, establishing a structure for the administration and oversight of the Legal Services and Litigation that is efficient and effective given the number of Coalition who are parties to this Agreement, including oversight of the legal costs incurred pursuant to this Agreement and any other subjects necessary or appropriate to the administration of the Legal Services and prosecution of the Litigation. If this Agreement is effective prior to finalizing the Joint Prosecution Agreement, Coalition authorize the City of Bellevue to be Lead Agency to do all things necessary and/or appropriate to pursue the Litigation on behalf of Coalition including but not limited entering into an agreement for Legal Services as contemplated herein.

### 4. Payment:

4.1 The Legal Services' fees and costs shall be shared equally by all Coalition regardless of a member of the Coalition's population or nature or any other factor distinguishing it from another member of the Coalition. This obligation shall continue through conclusion of the Legal Services as provided in Paragraph 2 above, unless a member of the Coalition terminates its participation in this Agreement as provided in Paragraph 5. Members of the Coalition hereby authorize said fees and

costs up to a total of \$275,000. Additional fees and/or costs may be approved by written amendment to this Agreement by Coalition.

- 4.2 The provider of Legal Services shall provide a monthly bill of its fees and costs to Bellevue. Bellevue shall timely pay the bill on behalf of Coalition. Within 15 days of approval of this Agreement, each member of the Coalition shall remit its proportionate share of the fees and costs to the City of Bellevue. Bellevue shall place these funds into an interest-bearing account, with any interest derived from these funds to be applied to the costs of the provider of Legal Services. At the time of drafting of this Agreement 33 governmental entities have committed to joining this appeal; therefore the proportionate share of each member of the Coalition is \$ 8, 333.33. In the event Bellevue must take legal action to collect any amount due from a member of the Coalition, Bellevue shall be entitled to recover all costs for said action including reasonable attorney's fees.
- 4.3 In the event additional governmental entities join this Agreement, the proportionate share of each member of the Coalition shall be reduced accordingly. In the event fewer governmental agencies participate in this Agreement or terminate their participation, the proportionate share of each remaining participating member of the Coalition shall increase accordingly.
- 4.4 While it is recognized that some members of the Coalition may not be able to sign this Agreement before February 16, 2007, it is agreed that the members will benefit from the Legal Services provided herein. Therefore, it is presumed that a member of the Coalition which enters and signs this Agreement agrees to pay for Legal Services performed as of January 25, 2007, regardless of the date of signing. Adjustments to amounts previously billed and received by Bellevue due to later joining members of the Coalition will be reconciled on a semi annual basis.

# 5. Termination:

5.1 Termination by Notice: Any participating member of the Coalition may terminate its participation in this Agreement by providing at least three months prior written notice to all other participating members. The terminating member must pay the full share of the Legal Services Fees and Costs due through the date of termination three months from the date of Notice. Should it become necessary to amend this Agreement to increase the authorized total amount of fees and costs set forth in Paragraph 4.1, or a member's proportionate share pursuant to Paragraph 4.3, any member may terminate its participation in this Agreement by providing written notice to all other participating members within 15 days of receiving written notice of the request to amend fees and costs. This termination shall not affect the obligation of the terminating member to pay its full share of the currently authorized Legal Services Fees and Costs. Except as provided in Paragraph 5.2, the termination of a member's participation in this Agreement shall not result in the termination of this Agreement with respect to other members of the Coalition.

- 5.2 Termination by Mutual Written Agreement. This Agreement may be terminated at any time by mutual written agreement of a majority of the then participating members of the Coalition. Members shall be obligated to pay for Legal Services incurred to the date of Notice to the provider of Legal Services that its services are no longer needed and any reasonable additional fees and costs necessary to conclude its Legal Services.
- 5.3 Distribution of Assets upon Termination. It is not anticipated that any assets will be acquired as a result of participating in this Agreement. If, however, any assets are acquired with joint funds of the Members of the Coalition, those assets will be equally divided among the members at the asset's fair market value upon termination. The value of the assets shall be determined by using commonly accepted methods of valuation. Additionally, any funds remaining in the interest-bearing account following conclusion of all Legal Services shall be equally divided among the members of the Coalition.

# 6. Miscellaneous:

- 6.1 Amendments. This Agreement may only be amended by mutual written agreement of the members of the Coalition.
- 6.2 Severability. If any section of this Agreement is adjudicated to be invalid, such action shall not affect the validity of any section not so adjudicated.
- 6.3 Interpretation. The legal presumption that an ambiguous term of this Agreement should be interpreted against the party who prepared the Agreement shall not apply.
- 6.4 Ownership of Property. Any property owned and used by Bellevue in connection with this Agreement shall remain the property of Bellevue and any property owned and used by any other participating member of the Coalition shall remain the property of that member, unless otherwise specifically provided in this Agreement or its amendment.
- 6.5 Notice. All communications regarding this Agreement will be sent to the parties at the addresses listed on the signature page of the Agreement, unless notified to the contrary. Any written notice shall become effective upon personal service or three (3) business days after the date of mailing by registered or certified mail, and will be deemed sufficiently given if sent to the addressee at the address stated in this Agreement or any other address if later specified in writing. Except for the requirement of Notice as provided in this Agreement, nothing herein shall be construed to prevent the members of the Coalition from communicating among themselves by email, fax or other electronic means. Any governmental agency not specifically named herein, that later joins in this Agreement, shall give to all members of the Coalition then participating under this Agreement written notice of the name

and address of the person that can accept notices on behalf of such joining governmental agency.

- 6.6 Counterparts. This Agreement may be entered into with any number of counterparts which, taken collectively, will constitute one entire agreement.
